REQUEST FOR A CERTIFICATE OF CORRECTION UNDER 37 CFR § 1.322

Sir:

In the matter of U.S. Patent No. 7,280,823 B2, issued October 9, 2007, a comparison of same against the files of the attorney of record indicates that several errors described in the attached Form PTO 44 were made by the U.S. Patent and Trademark Office (the "Office").

More specifically, the following errors, corrected in Form PTO 44 attached hereto, are of a clerical nature:

Claim 13, column 29, line 9, the words "said value" should read --said size value--.

Claim 20, column 29, line 45, the words "the integrity element" should read --said integrity element--.

Claim 28, column 30, line 54, the words "said value" should read --said size value--.

Since the typographical errors of claims 13, 20, and 28 are clearly disclosed by the records filed with the Office, Applicants respectfully request a Certificate of Correction.

REMARKS

Under 35 U.S.C. § 254, whenever a mistake in a patent, incurred through fault of the Office, is clearly disclosed by the records of the Office, the Director may issue a certificate of correction stating the fact and nature of such mistake, under seal, without charge. These discrepancies are not the result of errors on the part of Applicants. Since the discrepancies described above are clearly disclosed by the records filed with the Office, Applicants respectfully request a Certificate of Correction.

Since the errors were made by the Office, Applicants do not believe that any fee is required. However, we authorize the Director of the U.S. Patent and Trademark Office to charge all fees to or to credit any overpayments to our Deposit Account No. 03-2410 (Order No. 12078-141).

The following information is presented in the event that there are any further questions remaining: DAVID W. GOMES (617) 345-3000.

Respectfully submitted,
Noah J. Ternullo et al., Applicant
